

Curriculum Vitae

Farrell Bonin

Profession: Mr. Bonin is a consulting expert with over 16 years of experience in traffic crash investigation, reconstruction, and analysis. He is also a certified drone pilot. He has experience in the investigation and reconstruction of accidents involving commercial tractor-trailers, high speed fatality collisions, daytime and nighttime accidents, and collisions involving automobiles, motorcycles, bicycles, pedestrians, and objects. Mr. Bonin specializes in commercial vehicle crashes and has considerable experience downloading and analyzing leading edge digital forensics data from tractor-trailer and automobile electronic data recorders (ECM, EDR, SDM, ACM, CDR, etc.), video event data recorders (DriveCam, SmartDrive, etc.), heavy truck telematics systems, and numerous other devices. He has extensive experience inspecting and documenting the condition of braking systems on tractor-trailers and heavy trucks in order to determine their existing braking capability and applying that to the specifics of a particular collision. He has investigated over one thousand motor vehicle collisions and supervised hundreds of severe injury and fatal crash investigations.

Testimony: Mr. Bonin has testified in trial numerous times in Louisiana during his career in law enforcement.

Certifications: FAA Certified Remote Drone Pilot – Certification #4422711
